Whilst we endeavor to ensure the contents of these plans are correct at the time of printing, the information they contain is to be used as a guide only. Furnishings and floor coverings are for illustrative purposes only and are not shown to scale nor included in the stated price (unless expressly included). The columns shown may vary in diameter throughout the building. Area calculations are for gross floor area and are measured to the exterior face of end walls, the centreline of party walls & the exterior face of common area walls. The plans were completed prior to the completion of final design, engineering and construction of the building. Therefore design, engineering, dimensions, fittings, finishes and specifications are subject to change without notice in accordance with the provisions of the Contract of Sale.

Whilst we endeavor to ensure the contents of these plans are correct at the time of printing, the information they contain is to be used as a guide only. Furnishings and floor coverings are for illustrative purposes only and are not shown to scale nor included in the stated price (unless expressly included). The columns shown may vary in diameter throughout the building. Area calculations are for gross floor area and are measured to the exterior face of end walls, the centreline of party walls & the exterior face of common area walls. The plans were completed prior to the completion of final design, engineering and construction of the building. Therefore design, engineering, dimensions, fittings, finishes and specifications are subject to change without notice in accordance with the provisions of the Contract of Sale.
